At the meeting of the board of county commissioners yesterday J. A. Wright, secretary of the State board of horticulture, notified the board that on the advanced season the work of inspecting the orchards had been started March 20th, and that the county inspectors would thereafter inspect his entire work.

James Slater et al petitioned that the board submit to the voters a proposition, whether or not farms should be fenced and stock allowed to run at large along the public roads.

James Selman notified the board that he would remove his fence from the highway in Kanab.

The residents of West Weber and Warren petitioned the board asking that the center of section 8, in West Weber, thence north to river, thence to Plain City road. The petition was filed.

The petition of the residents of Marriotts to have the road in their district extended west from foot of Seventeenth street declared a county road. The surveyor reported that the road is less than 66 feet wide in many places and action was therefore deferred. It is desired that the abutting property owners feed the county sufficient land to make the road of standard width, 66 feet.

A remonstrance against and request for reconsideration of the board's action changing line between Garland and Taylor school districts was received from Lafayette Farr et al. The request was denied.

County Physician Driver notified the board that there was a case of smallpox in the R. G. W. section house at log, a young lady employed by the section foreman's family being the affected party. The clerk was instructed to notify Superintendent Welby to have the house disinfected and quarantined.
